COVER - The view of North Conway, New Hampshire from Mt. Cranmore is one of the treats of that State that will be familiar to many who have made the trip to the summit via the lift. This is popular ski country but, in the summer, the endless belt of single seated cars carry almost as many people to enjoy the spectacular view from the top of the mountain.

BOATYARD COMPLAINTS DISCUSSED

Mr. Petit, owner of Buzzards Bay Boatyard, and several other officials of the yard, met with Selectmen to review complaints that have been sent to Selectmen concerning the yard's operation. Mr. Petit told the Selectmen that he was complying, to the best of his ability, with requests of neighboring residents concerning noise, traffic and other complaints. He said that one of the problems was that people did not first talk to him about problems. The Board of Selectmen said that from now on complainers will

be asked if they had first called the boatyard in order to give them the chance to take corrective action.

JUNKYARD RULES OUTLINED

Mr. Bisaillion and Ronald Scott met with the Board of Selectmen to inquire as to what happened to their applications for a Class II Used Car license. Selectmen advised that, if the property is properly cleaned up and the applicants will agree to construct a 6-foot screening fence as well as keep all unlicensed vehicles within the front line of Ronald Scott's welding shop, then each would be issued a Class II license for a limit of 4 cars each.

Chief of Police Alfred Faria met with the Board of Selectmen to discuss the acquisition of radar equipment and other highway safety program materials. Mr. Novak told Selectmen that the town could obtain such material and equipment 100% reimbursable by the State.

Selectmen asked that Chief Faria work with Mr. Novak to come up with recommendations on a safety program with priorities that list radar equipment for the cruisers at the top.

SWIM MEET

The Selectmen who traditionally award the trophies at the Mattapoisett Swim Meet that will be held this year at 2 P.M. on August 17th, will be unable to attend because of previous commitments. It was suggested that Mr. Robert Gardner be asked to award the prizes; however, Mr. Gardner is also occupied on that date.

APPOINTED TEMPORARY WIRE INSPECTOR

Russell Peirce has been appointed temporary wire inspector to cover the absence of Robert Bates who will be on vacation this month.

WHARF SIGN MISSING

The one-way sign on the center road to the wharf is missing and the cause of some confusion. The Board of Selectmen has asked Highway Surveyor Manny Nunes to replace it.

BUSHES BLOCK VIEW ON ROUTE 6

The State DPW has been requested to cut undergrowth alongside Route 6 on the west side of Prospect Road which limits visibility of cars entering Route 6 from Prospect Road.

WANT RULE CHANGE

The Board of Selectmen received a petition from a group who object to the long standing rule that prohibits cut-off dungarees worn to swim at the town beach. Mr. Al Boucher has been requested to meet with Selectmen to discuss the matter. Mr. Boucher made the rule years ago for water safety reasons.

WANTS TO BUY INDUSTRIAL SITE

A letter has been received from Edwin Livingstone with an offer to buy town owned land in the Industrial Park area (former dump site) for $1,000. per acre (the area is approximately 2 acres).

AUCOOT STOP SIGN

Selectmen advised Russell Sherman, chairman of the Traffic Committee, on August 6th that they have directed that a stop sign be installed on the southeast corner of Aucoot Road as recommended by the Traffic Committee. However, the feel that the installation of a no parking sign on the east side of Pearl Street at the Nobrega home will not solve the Nobrega problem. The Nobrega home is on the east side of the street and the west side of the street is where they need the room to back their car out of the driveway.

The Board requested that the traffic committee consider painting a no parking zone opposite the Nobrega driveway.

SPEED ON BEACON STREET REPLY

Selectmen replied to Robert H. Brown on August 2nd with thanks for pointing out the problem of speeding cars on Beacon Street. Selectmen said that Beacon Street has been speed zoned by the Massachusetts DPW and Selectmen have asked the Highway Surveyor to install the proper signs in the near future. The Board of Selectmen has also requested Chief of Police Faria to inhibit speeders and investigate the purchase of radar equipment for the cruisers.

ROUTE 6 SPEED LIMIT REPLY

R. J. Kelleher, P.E. of the State DPW, has advised Selectmen that he has directed the district traffic engineer to contact the Board of Selectmen to arrange a meeting concerning one complaint forwarded to him about a lower speed limit on Route 6 in front of the Hillside Motel.

TINKHAM APPOINTED

N. Floyd Tinkham has been appointed as the Selectmen's representative on the Tri-Town River Committee.

BRANDT ISLAND ROAD IMPROVEMENT

R. J. Kelleher has notified Selectmen that the Mattapoisett request for $21,582. for Brandt Island Road surfacing has been forwarded to R. T. Tierney, P.E. of the State DPW.

GAS & LIGHT REQUESTS

The New Bedford Gas & Edison Light Company presented a petition to Selectmen for one pole location on County Road which they stated does not require a notice of hearing. They requested a permit to install a new gas service at the Peter Shainberg home on Ned's Point Road.

SHELLFISH AREA CLOSED

Kenneth Crossman, Massachusetts Division of Law Enforcement, has been advised on August 5th that Mattapoisett has closed the waters and flats of Hiller's Cove and all the tributaries thereto in the town of Mattapoisett inside or west of a line drawn from Joes Point in a southwest direction to the end of Euclid Avenue until subsequent surveys determine that the water quality within this area is acceptable for the direct harvesting of shellfish for food purposes.

WANTS REASON FOR DENIAL

Celso Branco, manager of King of the Road, requested a 2 o'clock closing time of Selectmen recently and the request was de-

Duck hawks have been known to dive at almost 350 m.p.h.

To The People of Mattapoisett:

During the years that I have known George Rogers, as a fellow track coach (when he coached track at New Bedford Voke and I was doing the same at New Bedford High), later as a fellow member of the New Bedford School Committee, I have always found him to be a conscientious hard worker for causes in which he believed. I know, therefore, that as Senator for Mattapoisett he will take an active and effective role in affairs that affect our town. I say "our" town because of my association with the town over the many years I have been associated with you in my capacity at the Town Beach. Consequently, I am particularly concerned that I represent George Rogers' ability and interest straightforwardly. I know that he is sensitive to the needs of the town, and while a member of the Legislature from 1965 - 1970 often spoke in behalf of the small towns, even though he represented the City of New Bedford. He led the fight in the House against the so-called "anti-snob-zoning" bill which finally became law with the help of the present Senator from New Bedford, and he has spoken out publicly against the poorly conceived bill which would have effectively destroyed property rights of individuals under the guise of public-access to waterfront areas, the "right of passage" bill.

George Rogers is the kind of man who will represent your interests in the State Senate, and I urge all my friends and acquaintances in Mattapoisett to support his nomination and election.

Sincerely,

Albert A. Boucher

Land Trust

LAND TRUST MEMBERSHIP DRIVE

If you've got even the tiniest spark of love for Mattapoisett and are interested in the community's future then you'll want to join with the 135 persons who have already responded to the Mattapoisett Land Trust's first membership drive.

Representing a cross-section of community support, these members are of all ages and from all walks of live.

The Land Trust is a private, tax-exempt, non-profit charitable corporation organized in April under state corporate law. Its purpose is to promote the preservation of open land and to protect Mattapoisett's attractive natural heritage for present and future generations.

Membership is open to anyone upon payment of annual dues of $5. a person.

As a corporation, the Land Trust must hold an annual meeting for members at which time they elect a Board of Directors to conduct the business of the Trust for the following year. Directors serve without compensation.

The Trust seeks to acquire land through gift, purchase or conservation easement. The latter is a legal agreement between a property owner and a charitable organization which guarantees preservation of the natural character of his land. The owner still retains ownership for the benefit of himself and his heirs and may restrict public access.

Of the 135 persons who have already become members of the organization, many have given an additional contribution beyond the membership fee to support the purposes of the organization.

If you have thought about joining the Land Trust since the mass mailing several weeks ago of invitations to join (including a complete explanation of the organization) and

Rochester Calendar

COMMUNITY BIRTHDAY CALENDAR

The Rochester Community Birthday Calendar Committee is starting its annual campaign in the town. The committee, consisting of Mrs. Pat Cole, Mrs. Edna Ayotte, Mrs. Carlene Bittner, Mrs. Diane Coutinho and Mrs. Sylvia Hebert will be taking orders for this calendar during the month of August and up until September 6th. If you are new to our town and would like to have a copy of this handy calendar please get in touch with Mrs. Cole at 763-4597, and she will give you any information desired.

The proceeds from the calendars goes toward the Raymond C. Hartley Scholarship, which is awarded each year to deserving graduates who live in the Town of Rochester.

Letters to the Editor

VANDALS HIT AGAIN - DID YOU KNOW?

The following was printed in the Congregational Church "Tide-ings" but I do feel it is of sufficient interest and importance to the whole community to be printed in the Presto.

Pamela M. Single

Last week the Church was once again vandalized. In the past, couples have been discovered enjoying the couches in the living room; eggs have been thrown around the Parish Hall; window gratings in the rear of the class rooms have been pried open; obscene words were written on the walls of the Fellowship Room and the Church Office; and last week the fire extinguishers were emptied all over the Parish Hall. Harmless, you say? In addition burnt matches were discovered and a wastebasket full of burned paper was found in the choir loft!

Our Church is not the only one to suffer. St. Anthony's has had close to $5000 damage to its lovely new church -- persons unknown have carved initials and other words into the wood, among other acts of vandalism.

The Mattapoisett police have promised increased surveillance, but without the watchfulness of everyone, events such as the above can only lead to increased destruction of property and an end to the freedom of the church and its accessibility to its members.

Leadership to challenge and channel the unguided energies of these young people is sorely needed, but in the meantime, as you drive by, if you see anything odd, young people hanging around, or running away, etc., please help by contacting the police. They can help only if the vandals are caught in the act. Most of these senseless acts of vandalism have taken place in the late afternoon--do you know where your children are? P.D.

LETTER TO THE EDITOR

Some people told me the Bathing Beach was closed today because of a shark scare.

It might be well (soon) to look into putting up a heavy shark proof underwater net from the end of the wharf next to the beach due approximately east.

In the main boats shouldn't be coming into proximity of the beach with swimmers around.

Henry B. Dunseith
38 North Street, Mattapoisett, August 4, 1974

Politician / Actor

editorial DCJ

Certainly the most important event of last week is still strong in the minds of all. The loss of a President, any President, is a jolt. The loss of a President by resignation is something new in the pages of our history. Coming so close to the country's Bi-Centennial it is no occasion for pride that a man who was entrusted by 60 million people with their confidence, their vote and support lost it through his own recorded words. It is, however, a demonstra-

tion of the enduring wisdom of our Constitution that a transition of power could take place under such circumstances in such a quiet, confident manner. The Constitution is what matters in this affair because it has become apparent that the misuse of powerful government agencies is a fact of modern political life. The very dangerous possibility that such misuse could result in a loss of our form of representative government makes it imperative that the Congress proceed to safeguard these agencies in some manner.

In a very interesting "60 Minutes" program of Sunday night Richard Nixon spoke from a past program, taped of course. He explained that he would like to do something creative because for so many years he had been a public man always talking, always acting. That one statement might be the key to Mr. Nixon's present state. He may have been speaking the words of others for so long, acting the part of his conception of the ideal public figure for so long, that he totally lost contact with his own ideas and self. That contrast between smooth actor and genuine personality is strikingly apparent in the contrast between the former President and President Ford. Perhaps to attain the high office by accident rather than design will prove a great advantage for President Ford and all Americans. We need a genuine man in the

present situation to correct the trend to administrations where political leaders have been overconcerned with their public image and seemingly less concerned with their personal integrity.

The great contributions that the Nixon Administration accomplished in the ending of the seemingly endless Vietnam War, the overtures to countries such as China that turned out so promising, the ending of the war in the Middle East that was potentially so dangerous, and countless others are truly magnificent achievements and will be so recorded in our history. The fact that, at the same time, the tape machines at the White House were recording the sordid tale that needs no elaboration to anyone, is hard to understand and bitterly disappointing. The lie, that started to cover the most foolish burglary in history, build and spread to mammoth proportions and finally toppled the most powerful executive on earth.

If President Ford can carry on the advances made in our foreign policy and bring a halt to the inflation that threatens every one of us he will earn the enduring respect and admiration of all. It seems he may be uniquely equipped to do this because he is a man of the Congress who is genuinely respected and liked by his former fellow legislators.

HONORED AT RETIREMENT PARTY

A retirement party was given for Pauline A. Raymond on her seventieth birthday, after twenty years of service to the Fairhaven Savings Bank. The party was held at the Harbor Beach Club on August 6th. There were over 95 people in attendance. Polly was honored with gifts from the bank and her co-workers. It was noted by George Graves that there are not many people who begin a banking career at age fifty and retire at age seventy.

We are now featuring a beautiful new line of invitations and announcements

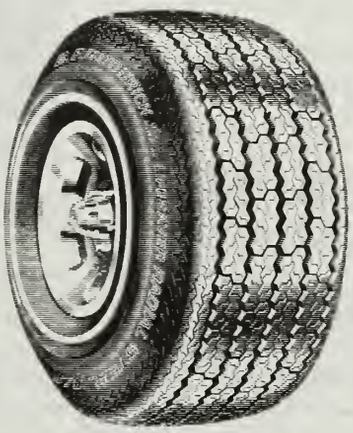
sale steel belted radials

$49

for medium size cars:
GR70-15, GR70-14, FR70-15, FR70-14 plus Federal Excise tax of $3.04 to $3.22

$43 for smaller cars:
BR70-13, CR70-13, DR70-13, ER70-14, DR78-14 plus Federal Excise tax of $2.28 to $2.79

$60 for larger cars:
HR70-14, HR78-14, HR70-15, HR78-15, JR70-15, JR78-15, LR70-15, LR78-15 plus Federal Excise tax of $3.15 to $3.86 Profile and construction may vary by tire size.



Get more than a set of steel belted radial tires. B.F.Goodrich's Radial Steel R/S tires have radial construction plus cushioned steel design. Radial construction means less rolling resistance, saving you gas dollars. And, cushioned steel design gives you the strength of steel and a smoother ride. Your car deserves more than an ordinary radial. Add new life to your car — treat it to the Goodrich Radial Steel R/S today. **GUARANTEED BY GOODRICH FOR 40,000 MILES.**

In normal driving you'll get at least 40,000 miles of tread-wear from the Lifesaver Radial Steel R/S on your car. If you don't get 40,000 miles, take the guarantee document back to any BFG retailer. He'll allow you credit for the difference toward the then current exchange/adjustment price of new ones. And add a small service charge.

ORGANIZATIONAL HOCKEY MEETING

The Mattapoisett Sports Committee intends to sponsor teams to compete in an area youth hockey league this winter. A meeting to determine the number of interested boys will be held at 7 P.M. at the Center School gymnasium on August 14th.

It's critical that all interested parties report then as the extent of our participation in the league will depend upon this sign-up.

The ages involved are: mites 7-8, squirts 9-10, peewees 11-12 and bantams 13-14.

RTE. 6, MARION, MASS. 748-0345

Marion Art Center

The Marion Art Center is pleased and proud to announce that it is the recipient of financial assistance from the Massachusetts Council on the Arts and Humanities.

The assistance is in the form of a matching fund of $800. to be used to support the program of the Art Center for the period of July 1 to August 31. Activities included in this assistance are: exhibits in the Cecil Clark Davis Gallery, the Sidewalk Show, August 15, 16 and 17; the Restoration Ball, Studio Art Classes, Drama Workshop and its final production.

The money funded by the Massachusetts Council on the Arts and Humanities is an appropriation of the State Legislature in public funds. Thus, the public has a stake in the events at the Art Center and hopefully will feel welcome to participate fully in these activities.

Competition for this funding is very intense throughout the State, and the Marion Art Center Board of Directors feels privileged in receiving this aid.

By this funding, the M.C.A.H. has literally "contracted" for the services of the Center for the citizens of the State. It is hoped that the citizens will take full advantage of this opportunity.

'The Warm Peninsula'

COMEDY-DRAMA AT SMU

"The Warm Peninsula", a comedy-drama by playwright Joe Masteroff, will be presented at Southeastern Massachusetts University on Thursday, Friday and Saturday, August 15, 16 and 17, by the American Theatre Training Institute. The play will begin at 8:00 P.M. each night in the SMU Auditorium.

"Warm Peninsula" is directed by Paul Mann, distinguished actor and teacher of actors, who founded and heads the American Theatre Training Institute's summer drama program at SMU. Professor Mann is probably best known to audiences as co-star of the Hollywood movie, "Fiddler on the Roof".

The play, a story of the love conflicts of a plain young woman in search of an exciting life and her beautiful movie starlet friend who wants a simple, solid life, features actress Lenore Harris in the cen-

tral role.

Ms. Harris counts among her favorite roles Sophia in Chekhov's Platanov and the Leader of the Chorus in T. S. Eliot's Murder in the Cathedral, both performed in New York, on Off-Broadway. Her summer stock performances have included Madge in Picnic, Ellie May in Tobacco Road and Julia in Two Gentlemen of Verona. In addition she has done both radio and television commercials for leading advertising agencies. Ms. Harris received her acting training from Stella Adler and Paul Mann in New York City. At the Juilliard School she studied voice and speech with Elizabeth Smith and Edith Skinner. Her basic and advanced study in speech was with the renowned speech authority Alice Hermes, in New York.

Playing a prominent role is actress Mary Carver who co-starred in a recent episode of the TV series, "McCloud".

She studied acting with Stella Adler and Paul Mann. Her twenty-five years experience in theatre have included performances on Broadway in stock and with National Repertory Company. Ms. Carver appeared with Martin Balsam in A View From the Bridge and with Walter Slezak in Rhinoceros.

The cast of "Warm Peninsula" includes Antoinette Panneck, Rick Johnson, Roger Downey, Bill King and Richard Methia.

Advance tickets are available by calling the Theatre Institute office at SMU.

Flea Market-Craft Show

ROCHESTER FLEA MARKET AND CRAFTS SHOW TO FEATURE ORIGINAL "PALADIN"

The man who inspired the Western hero, "Paladin", made famous in the popular television series, "Have Gun, Will Travel", will appear at Rochester Center, Saturday, August 31, and Labor Day, September 2. He will be a part of the three-day celebration, the purpose of which is to help the First Congregational Church, Rochester Center.

Victor DeCosta ("Paladin") was a rodeo cowboy in his younger days and claims to have developed the character 11 years before the TV series began. He was recently awarded a court judgement against Columbia Broadcasting System for copying his image, way of life, and ideas. The judgement represents millions of dollars. CBS plans to appeal the case. Mr. DeCosta will be interviewed three times each day, answering the public's questions. Admission is free.

The three-day affair is August 31, September 1 and 2. Dealers and exhibitors wishing to rent space on the beautiful church Common are invited to phone the Parsonage at 763-8839

JUNIOR GRANGE

Mattapoisett Junior Grange will hold its meeting Friday night, August 16th, at 6 P.M. Plans will be completed for the Juniors' outing.

Sidewalk Arts & Crafts

Marion Art Center's Annual Sidewalk Show will be held August 15, 16 and 17. This annual event provides funds for the Student Aid Scholarship Fund.

Several demonstrations will be offered during the Show. John Handy of Marion will demonstrate the art of jewelry making. Nancy Gagnon of Wareham will be showing how fine scrimshaw is made.

The work of professional artists will be displayed such as seascapes by Joy Biddle, sculpture by Lucien Lavoie and other well-known artists. But, above all the Sidewalk Show is an opportunity for the amateur painter to show his work and often to sell some creations. Ten Awards of Merit will be determined by judges George Mellor, Sandra Bilodeau and Albert Bigelow.

There will be a special award for children's work.

This event is made possible by funds provided by the Massachusetts Council on Arts and Humanities.

"MEALS ON WHEELS"

Each weekday, Monday through Friday, Tobey Hospital sends out between 25-30 "Meals on Wheels" to senior citizens in the town of Wareham. These meals, prepared under the direction of Gilbert Mello, Chief Chef at Tobey, are paid for and delivered to the elderly by the Wareham Recreation Department. The meals leave the hospital daily at 11 A.M. in order to be in time for the noon meal. The dinners, which are especially prepared to aid those unable to leave their homes or to cope with getting meals, are often large enough to supply both lunch and dinner for an aged person. They include soup or chowder, a substantial portion of meat, vegetable and potato, a salad, rolls and dessert. All are served on disposable items to make it easier for the senior citizens.

Paintings on Exhibit

DOLL AND RICHARDS PAINTING CURRENTLY AT MARION ART CENTER

The current show in the Cecil Clark Davis Gallery of the Marion Art Center consists of 26 paintings on loan from Doll and Richards, an art gallery located on Newbury Street, Boston. The show will continue through August 25th. Doll and Richards is the oldest art museum in America, founded in 1837, and has been in continuous operation since then. Its prestigious reputation is borne out in the high quality of the paintings lent for this Marion Art Center show.

Nineteen artists are represented in this show, and all of them have achieved fine reputations in their craft.

Several paintings on display have received national awards. "Winter Sun, Meridian" by Paul Zimmerman, a lyrical oil landscape, received the Gold Medal, Best in Show award at the National Academy of Design, 1972. "Low Tide", a watercolor by Tom Nicholas, won a $5000. prize in the Franklin Mint Competition in Philadelphia in 1973. All of the artists in this show are represented in museums, collections, and competitive shows. Stow Wengenroth, whose work in the show is a delicate lithograph of red-winged blackbirds in Cape Ann Marshes, has work in almost every major museum in the U.S.A.

Artists whose work is hung in this show include George Carpenter, Alfredo Czerepak,

The show may be seen in the gallery 1:00 P.M. to 4:30 P.M. Tuesday through Sunday. During the Sidewalk Show, Thursday, Friday and Saturday, August 15, 16 and 17, the gallery will be open until 7:00 P.M.

This exhibit is made possible with support from the Massachusetts Council on the Arts and Humanities.

A THANK YOU

We wish to express our appreciation to everyone who participated in the preparation and serving of the Cape Cod Ham and Bean Supper on Saturday night. It is the combined efforts of every member of the Club that make it such a successful event each year.

We also want to thank all our old friends who return each year to enjoy our efforts and also all the new people we saw among them. We shall look forward to seeing you all again next year.

Nursing Home News

Toasts to our future bride concluded this past week's activities at the home. Mrs. Lucy Shumway presented a card, signed by the residents, and made a short speech. Ms. Pauline Silcox, recipient of this goodwill, is a valued member of the staff, to be married August 10. We all wish her the best!

The week's enjoyments began with the Tuesday concert under the stars (behind the overcast). With the assistance of Florence Bennett, Joyce Lamborghini, and Mrs. Pagenkopf of FISH, the residents relaxed and enjoyed the lovely musical array. Our grateful thanks to policewoman Beatrice Ingram for her help at the concerts. She has reserved accessible space for the cars that transport the residents, and makes sure benches are available.

On Thursday residents went on a picnic

We have greatly appreciated the tremendous response to our request for volunteers; it has been truly great! We still have specific ideas for anyone else thinking of becoming a volunteer. In addition, a paid, half-time job of Social Activities Director is open for anyone interested in applying. Please call Mrs. Linda Turcotte-Shamski at 758-2512.

Lakeville Bar-B-Q, Aug. 18

The annual Chicken Bar-B-Q will be held on the hospital grounds, Route 105, at Lakeville Hospital on Sunday, August 18. Serving will be from 1 to 3 P.M.

Specialty of the day will be 1/2 bar-b-q chicken, corn, baked beans, tossed salad, potato salad, cranberry sauce, hot bread and butter, watermelon, coffee and soft drinks.

Tickets are available at the hospital switchboard.

Mattapoisett Seniors

SENIOR CITIZENS TRIPS

Senior Citizen trips open to Mattapoisett and area seniors have been listed in other Presto issues. Please save the lists and check at the Mattapoisett Town Hall on the bulletin board for prices and details.

The Thursday special on September 12th is a Mystery Trip. It will depart from the Legion Hall in Mattapoisett at 9:00 A.M. There will be pleasant surprises. You'll never be the same. You will be enchanted, bewitched - old house and museums. It's historical and hysterical - marine seaport, cruise. Make payment to trip coordinator Mrs. Gloria Rounds, telephone 758-2949, or at the Mattapoisett Town Hall Tuesday afternoons. First come basis. The deadline is September 4th.

SENIOR CITIZENS

Mattapoisett Seniors had a pleasant happy week. Sunday the trip to Benson's Animal Farm was wonderful. Flowers, birds, animals and acts were enjoyable. It was educational and, as usual, having considerate bus drivers is the thing that makes the day. Bob Berube was quiet, but very efficient, and kindly stopped on the return trip so that all could have their ice cream sodas.

The August 8th trip to Rockport, Cape Ann and Gloucester will always be remembered. Every point of interest was covered. Lighthouse, wharves, boats, fisherman's statue and Joan of Arc. Climaxing the tour was at Hammond Castle and when the Hammond Pipe Organ was played. Everyone was enthralled and felt as if the Heavens had opened to receive them.

Norman Blanchette, the bus driver, ever so thoughtful, timed everything so that everyone had the time to enjoy every single minute. The food, the restaurants, many choices were superb. On return home there was a stop for super duper sodas and shakes. Variety is the spice - there certainly was that, and once before said, when it's nice do twice, and now I say do it thrice.

COUNCIL ON AGING

Are you 55 or older? Are you interested in a part time job to help supplement your limited income and at the same time be of service to your community?

Through the Department of Elder Affairs a position has become available for a Senior Aide. The requirements are: must be at least 55 years old, employment, 20 hours per week; salary, $2.35 per hour; member of a "low income" family whose annual net income does not exceed the following: 1 person, $2330.00; 2 persons, $3070.00; 3 persons, $3810.00; 4 persons, $4550.00.

This program is fully funded by the Federal Government, and will be under the Council on Aging auspices and the Department of Elder Affairs as coordinator.

Please send your application to P. O. Box 126, or call 758-2382 for further information.

Bell Festival

HANDBELL RINGERS AT TABOR ACADEMY

Handbell ringers from all over New England, several hundred strong, will be gathering at Tabor Academy in Marion from August 23 to 25 for the bell festival sponsored by Area 1, the New England Guild of Handbell Ringers.

Highlight of the three days will be a concert on Sunday, August 25, at 2 P.M. in Hoyt Hall. Between twenty and twenty-five bell choirs will perform and the concert will culminate with the united choirs ringing together. The concert is open to the public at no charge.

Mrs. Mary McCleary of Nautatuck, Conn., chairman of Area 1 and a composer of many handbell compositions, has announced that the guest of the festival will be Donald Allured, president of the American Guild of English Handbell Ringers, who comes from Lake Charles, Louisiana.

Y.W.C.A. Events

On Thursday night, August 15, the New Bedford YWCA will be holding its Summer Arts Expo from 7 to 9 P.M. This night of entertainment features the young people who have taken part in the summer program.

The Summer Adventure Program, under the direction of Ms. Marlene Ripley, will be offering demonstrations of tumbling, bamboo dancing, square dancing and exercising to music.

The YW's Theater Workshop will be presenting a major portion of the entertainment. Play director Ms. Terri Cabral has been instructing her two groups in dancing, singing and acting. Amongst the activities that these young people have planned are parodies of commercials, singing and dancing numbers, and short plays.

Ms. Cecily "Kealoah" Turnbull's group will also be performing at the Summer Arts Expo. She has been the instructor of Hula-land during the summer months.

Mrs. Helen Morey will also be on hand at this time. Mrs. Morey has been offering her exhibit at the YWCA lobby gallery during the summer months. Mrs. Morey has gath-

BOARD OF SELECTMEN
Robert A. Silveira, Chairman
Donald Linhares
William F. Hubbard

August 14, 1974 Presto Press

trans-Atlantic training cruise. The trip, which generated a number of European business contacts and leads for Massachusetts industry, was arranged through the cooperative effort of the Academy's Dean of Administration, Capt. James Burke and Commissioner Frederick A. Centanni, of the Massachusetts Department of Commerce and Development.

Captain Burke conferred with Commissioner Centanni this past spring pointing out that the ship, "Bay State", made these training cruises yearly and the state could use the trip to promote international trade and tourism.

They jointly proceeded to develop a program of exhibits and receptions at each of the ports of call.

When the ship sailed on June 11 it carried an exhibit of more than 1300 square feet devoted to commerce, industry, land development, and tourism set up by the State Department of Commerce.

During the cruise, the "Bay State" stopped at four ports - Ponta Delgada, Azores; Lisbon, Portugal; Bordeaux, France; and Liverpool, England.

In each port, a reception was held for government officials and business and community leaders. The exhibit was also open to the general public in each country.

A staff member of the state Commerce Department was on board the ship at each port of call and coordinated the presentation to interested business leaders and investors. He was assisted by representatives from the Brussels Office of the Massachusetts Port Authority.

Meeting after the ship docked, Commissioner Centanni, Rear Admiral Lee Harrington, President of the Academy, and Capt. Burke called the mission a big success.

"We feel the economic development and trade contacts realized on this trip will be of tremendous benefit to the state's industries," said Commissioner Centanni. "More than 200 business people were exposed to the exhibits and product displays, and we are confident that the majority will develop into meaningful business contacts; several have already been translated into orders."

Centanni went on to offer his personal thanks to the Academy, Adm. Harrington and Capt. Burke, and lauded the ship's Captain, Alan McNaughton, for the exemplary cooperation by the ship's officers and crew during the entire undertaking.

This cruise was the first time that Massachusetts has utilized a ship to promote international trade and tourism. The state's exhibit included a 12-unit module focusing on commercial and industrial development opportunities as well as land development sites, service and tax incentives, and related business opportunities. In addition, more than 30 product displays supplied by Massachusetts business firms were exhibited.
